p. 2/NAWBO April

Most of the job creation in our economy comes when small businesses get the counseling, capital and contracts they need to implement their expansion plans. The SBA can give you fresh ideas about how your small business can scale up and reach even greater heights.

The National Association of Women Business Owners (NAWBO) evolved from a gathering of 12 like-minded businesswomen who began meeting in 1975. Eventually the group came to be known as NAWBO, with the mission to further and strengthen the entrepreneurial interests of women. Currently NAWBO has more than 50 chapters nationwide, and is affiliated with the World Association of Women Entrepreneurs.

NAWBO Wichita is a unique organization for Wichita. It seeks to leverage the unique attributes that women business owners bring to the table. The organization is designed to illuminate, transform - and ultimately harness – the nation’s wide-ranging community of entrepreneurial women into an ever-more-influential, unified voice and increasingly dynamic leadership roles. If you wish to join our organization, please go to NAWBOWichita.com/join.
